3.10 Coaching

- 3.10.1 In World Championships, Kata coaches need to be part of a National Federation delegation and have the required Coach certification level, when acting during the bout of an Athlete.

ARTICLE 4: THE JUDGING PANEL

- 4.1 For all official WKF competitions, the panel of seven Judges for each round of Round-robin competition, and five judges for eliminations will be designated by random selection, deploying a computer program.
- 4.2 For each mat, one Judge is designated as the Tatami Manager and will assume the lead in conducting any required communication with the Software technician and handle any unanticipated issue among the Judges.
- 4.3 Judges-deployment and panel allocation for the eliminatory rounds: The RC Secretary will facilitate to the Software technician handling the electronic drawing system a list containing the Judges available per Tatami. This list is done by the RC Secretary once the Athletes draw is finished and at the end of the Referees' briefing. This list must only contain Judges present at the briefing and must comply with the above-mentioned criteria. Then for the Judges' draw the Software Technician will enter the list in the system and seven Judges out of each Tatami deployment will be randomly selected as judging panel.
- 4.4 For medal bouts the Tatami Managers will provide the RC Chairman and the RC Secretary with a list containing available officials from their own Tatami after the last performance of the eliminatory round is finished. Once the list is approved by the RC Chairman, it will be given to the Software Technician for entry into the system. The system will then randomly allocate the Judging panel, which will only contain the seven Judges.
- 4.5 In addition to the Software Technician, and the Announcer of results - for Team competitions, the panel for medal rounds are also assisted by a Timekeeper keeping track of the maximum performance time.
- 4.6 As found expedient, the Announcer and the Software Technician operating the electronic judging system may be the same person.
- 4.7 Furthermore, the organisers have to provide Runners for each competition area familiar with the WKF Kata list to collect and record the chosen Kata of the Athletes before each round and bring the listing to the Software technician. The Tatami Manager is responsible for overseeing the operation of the Runner(s).
- 4.8 The Judges of a Kata bout must not have the nationality or be from the same National Federation of either of the participants or have any other conflict of interest. It remains the duty of any official to self-report on any possible conflict of interest before the bout or match starts.
- 4.9 If manual judging by flags is employed, five Judges will be used: four placed at each corner of the Tatami and one functioning as Head Judge centered at the side closest to the official table.

- 5.1.1 Only Kata from the WKF official Kata list may be performed. The official kata list is found in APPENDIX 1.
- 5.1.2 Names of some Kata are duplicated due to the variations customary in spelling in Romanization. In several instances a Kata may be known under a different name from style (Ryu-ha) to style - and in exceptional instances an identical name may in fact be a different Kata from style to style.

5.2 Number of Kata required

- 5.2.1 An Athlete or Team must perform a different kata, up to 5, for each round until the medal matches. No more than five (5) different kata are required to complete a competition, and a kata cannot be performed twice in a row. No kata can be performed more than twice by an Athlete or Team in a competition. Any kata may be performed in the medal round, unless already performed twice.

~~If the number of participants require a sixth round to win, a kata previously performed may be repeated (only in this sixth bout/match) as long as no kata is repeated twice in succession, one round after the other. The same principle should be applied if a seventh round is required to win.~~

- 5.2.2 For competition for those under 14 years of age no more than four (4) kata is required, and above rule of repetition will apply from the fifth round with further repetitions allowed along the same principle for subsequent rounds.
- 5.2.3 Each Athlete/Team are free to select which kata to use for each round provided that the relevant kata is announced for each round and follow the above rules from repetition. The possibility of repeating kata is an opinion and do not prevent any Athlete or Team to perform a new kata for each round regardless of the number of rounds required to win.

5.3 Assessment

- 5.3.1 The performance is evaluated from the bow starting the Kata until the bow ending the Kata except for team medal matches, where the performance, as well as the timekeeping starts at the bow in the beginning of the Kata and ends when the performers bow after completing the Bunkai.
- 5.3.2 Slight variation as taught by the Athlete's style (Ryu-Ha) of Karate will be permitted.

5.4 Point system

- 5.4.1 Each performance is given a score using a scale from 5.0 to 10.0 in increments of 0.1 - where 5.0 represents the lowest score possible for a Kata that is accepted as performed - and 10.0 represents a perfect performance. A disqualification is indicated by a 0.0 score.

5.4.2 The winner is pointed out by each judge based on the relative marks that particular judge gave for each of the two Athletes or Teams. The winner is determined by the majority of votes by the Judges.

CATEGORY NAME AND ROUND						
FLAG	AKA NAME			KATA NAME

7.6	7.5	7.6	7.1	7.1	7.7	7.2
8.0	7.3	7.4	7.3	7.4	7.3	7.5
						
WINNER: AO 4 - 3						

5.4.3 Bunkai is performed for Team medal matches and is to be given equal importance as the Kata itself.

5.5 Decision

5.5.1 Results of a bout or match are decided based on the majority of votes by the judges.

5.5.2 For each bout/match won in Round-robin, the Athlete/Team earns 3 Victory points and the loser zero victory points. No draws are allowed.

5.5.3 For the purpose of uniform application of the scale used in scoring the following guideline applies:

- 3) Performance of an extra kata for Athletes still in a tie, consistent with Article 5.2.

5.14 Manual Judging by use of flags

5.14.1 Manual Judging by use of red and blue flags may be used for competitions where electronic judging equipment is not available or where a technical malfunction makes it impossible to make use of the electronic equipment.

5.14.2 The following procedure will then apply, given the result of the bout: After both AKA and AO have completed the performance, the Head Judge will blow their whistle, and all five Judges (including the Head Judge) will simultaneously raise their flag to signal the winner. The Judges will hold the flag raised to allow for registration of results until the Head Judge blows the whistle a second time, signalling that the flags are to be taken down.

ARTICLE 6: OPERATION OF MATCHES

- 6.1 Before each round the Athletes or Teams must submit their chosen Kata to the assigned Runners who will relay the information to the Software Technician of the electronic judging system.
- 6.2 It is the sole responsibility of the Coach, or in the absence of a Coach, the Athlete or Team, to ensure that the Kata as notified to the Runner is appropriate for that particular round.
- 6.3 Should there be any discrepancy between the number and the name of the kata registered for performance, the number, as per the official WKF Kata list will prevail.
- 6.4 Individual Athletes or Teams that do not present themselves when called, or decide not to continue, will be disqualified (KIKEN) from that category. Disqualification by KIKEN means that the Athletes are disqualified from that category, although it does not affect participation in another category.
- 6.5 The starting point for the performance is anywhere within the perimeter of the competition area.
- 6.6 Where a countdown clock is provided on the monitor, the Athlete or Team is allowed 35 seconds from the name of the Athlete or Team is announced on the monitor until first move after the bow.
- 6.7 After the bow the Athlete or Team must clearly announce the name of the Kata that is to be performed and then start the performance.
- 6.8 When is the Athlete or the Team is called (as soon as the Athlete or team's name appears on the screen), the Athlete or Team must promptly proceed to the starting point for the Kata, facing the Judges without any prolonged marching. After the bow, the name of the kata will be announced, and the performance will begin without any further delay.
- 6.9 The match begins with a bow to the judges and then the Athletes/Teams bow to each other. The Athlete/Team with the red belt (AKA) performs the kata first, followed by the Athlete/Team with the blue belt (AO) upon completion of AKA's kata. The Athlete/Team not performing is to stand next to the perimeter of the competition area and refrain from moving or talking to avoid disturbing the other Athlete/Team's performance.
- 6.10 At the end of the performance, which is defined as the final bow in the Kata, the Athlete(s) must return to the end of the competition area to wait for the announcement of the winner.
- 6.11 When an Athlete or Team has completed the Kata the judges (including the Chief Judge) give their score by electronic device.
- 6.12 Once the announcement of the winner is given the Athletes or Teams will upon the signal "OTAGAI NI REI" bow to each other, and on "SHOMEN NI REI" bow to the Judges and leave the Tatami.

ARTICLE 7: OFFICIAL PROTEST

7.1 General provisions

- 7.1.1 No one may protest about a Judgement to the members of the Refereeing Panel.
- 7.1.2 If a Refereeing procedure appears to contravene the rules, the Athlete's Coach or their official representative are the only ones allowed to make a protest.
- 7.1.3 The protest will take the form of a written report submitted immediately after the bout in which the protest was generated. The sole exception is when the protest concerns an administrative malfunction.
- 7.1.4 Any protest concerning application of the rules must not necessarily impede the progression of the competition and the intent to protest should be announced by the Coach or NF representative immediately after the end of the bout.
- 7.1.5 The Coach / NF representative will request the official protest form [APPENDIX 3] from the Tatami Manager and will be expected to have it completed, signed, and delivered to the Tatami Manager with the corresponding fee within 5 minutes after announcing the intent to protest.
- 7.1.6 Failure of a Coach / NF representative to deliver a protest in a timely manner can lead to its rejection if such delay, in the opinion of the Appeals Jury, is without reasonable justification and impedes the progression of the competition.
- 7.1.7 The Tatami Manager will immediately add the names of the officials and hand the completed protest form to a representative of the Appeals Jury. The Appeals Jury will, without delay, review the circumstances leading to the protested decision. Having considered all the facts available, they will produce a report and shall be empowered to take such action as may be called for. The protest will be reviewed by the Appeals Jury, and as part of this review, the Jury will study the evidence available in support of the protest.
- 7.1.8 The protest may also be directly decided and announced to the Appeals Jury by the RC Chairman or the Chief Referee of the event, in which case no payment of a protest fee will be applicable.
- 7.1.9 In case of an administrative malfunction during a bout in progress, the Coach can notify the Tatami Manager directly. In turn, the Tatami Manager will notify the Chief Judge.
- 7.1.10 The protest must give the name and country of the Athletes, the Judges officiating, and the precise details of what is being protested. No general claims about overall standards will be accepted as a legitimate protest. The burden of proving the validity of the protest lies with the complainant. The protest must be submitted to a representative of the Appeals Jury by the Tatami Manager. In due course the Jury will review the circumstances leading to the protested decision.
- 7.1.11 The protester must deposit a Protest Fee as agreed by the WKF EC, and this, together with the protest must be lodged with the Tatami Manager who will turn it over to a representative of the Appeals Jury.

- 7.1.12 Any protest should be announced by the Coach or NF representative immediately after the end of the bout.
- 7.1.13 The decision of the Appeals Jury is final and may only be overruled by a decision of the Executive Committee upon request of the WKF President.
- 7.1.14 The Appeals Jury may not impose sanctions or penalties. Their function is to pass judgment on the merit of the protest to start required actions from the RC and OC to take remedial action to rectify any Refereeing procedure found to contravene the rules.
- 7.1.15 If the protest involves Athletes in an ongoing category, then the next round that could involve the athlete must be postponed until the appeal is decided.

7.2 Composition of the Appeals Jury

- 7.2.1 The Appeals Jury is comprised of three Senior Referee representatives appointed by the Referee Commission (RC) or the Chief Referee. No two members may be appointed from the same National Federation. They will be numbered from 1 to 3.
- 7.2.2 The RC will also appoint three additional members with designated numbering from 4 to 6 that automatically will replace any of the originally appointed Appeals Jury members in a conflict-of-interest situation. I.e., where the jury member is of the same nationality or have a family relationship by blood or as an In-Law with any of the parties involved in the protested incident, including all members of the Refereeing panel involved in the protested incident.

7.3 Appeals Evaluation Process

- 7.3.1 It is the responsibility of the Tatami Manager receiving the protest to gather the Appeals Jury and deposit the protest sum with WKF for any declined protest.
- 7.3.2 The Appeals Jury will immediately make such inquiries and investigations, as they consider necessary to validate the merit of the protest.
- 7.3.3 Each of the three members is obliged to give their verdict as to the validity of the protest. Abstentions are not acceptable.

7.4 Declined and accepted protests

- 7.4.1 If a protest is found invalid, the Appeals Jury will appoint one of its members to verbally notify the protester that the protest has been declined, mark the original document with the word "DECLINED", have it signed by each of the members of the Appeals Jury, and inform the protester of the decision.
- 7.4.2 If the protest is accepted, the Appeals Jury will appoint one of its members who will verbally notify the protester that the protest has been accepted, mark the original document with the word "ACCEPTED", and have it signed by each of the members of the Appeals Jury, before depositing the protest with the Chief Referee, and returning the protest fee to the protester.
- 7.4.3 After a protest is accepted, the appeals Jury will liaise with the Organising Commission (OC) and Chief Referee to take such measures as can be practically carried out to remedy the situation including the possibilities of:
- Reversing previous judgments that contravene the rules

- Voiding results of the affected rounds from the point before the incident
- Redoing such bouts that have been affected by the incident
- Issuing a recommendation to the RC for any involved Judges evaluated for sanction.

7.4.4 The responsibility rests with the Appeals Jury to exercise restraint and sound judgment in taking actions that will disturb the program of the event in any significant manner. Reversing the results is a last option to secure a fair outcome.

7.5 Incident Report

7.5.1 After handling the incident in the above prescribed manner, the Appeals Jury will meet again and elaborate a simple protest incident report, describing their findings and state their reason(s) for accepting or rejecting the protest.

7.5.2 The report should be signed by all three members of the Appeals Jury and submitted to the Chief Referee and the Organising Commission.

ARTICLE 8: ELIGIBILITY TO COMPETE

8.1 Age

- 8.1.1 Allocation of age category is determined by the age of the Athlete on the first day of competition of the event.
- 8.1.2 The senior categories for Kumite and Kata refer to different age groups. In the senior kumite categories athletes must be 18 years old, while in the Kata senior categories athletes must be at least 16 years old, both defined by 8.1.1.
- 8.1.3 Participants in Under 21 categories must be 18, 19 or 20 years old, Junior categories they must be 16 or 17 years old, Cadet categories they must be 14 or 15 years old, and Under 14 categories they must be 12 & 13 years old.

8.2 NF Quota per Event

- 8.2.1 Each National Federation at the Cadet, Junior, & U21 World Championships, Individual World Senior Championships - "Final Phase", and the Team World Senior Championships is limited to 1 Athlete per category.
- 8.2.2 Specific limitations may apply at the Individual Senior World Championships - "Qualification Phase". If an NF already has a qualified athlete in a category of the Individual Senior World Championships - "Final Phase", they may not register another athlete for the same category in the Individual World Championships - "Qualification Phase".
- 8.2.3 Karate 1 -Events are open competitions where all WKF members are permitted to participate without restriction of 1 Athlete per NF. Notwithstanding, participants must be members of a National Federation which is recognized by the WKF.
- 8.2.4 Multi-sport Events like the ANOC- Beach Games, World Games, Olympics may apply other criteria, to be defined in their respective Qualification System.

8.3 Nationality

- 8.3.1 With the following exceptions, only Nationals of a country may take part in the World Championships and WKF official events representing their country.
- 8.3.2 As a general rule, an Athlete who has represented one country in a WKF official event or World Championships cannot represent another country at an official WKF event or a World Championships.
- 8.3.3 Nevertheless, if an Athlete who has taken part in one of those events obtains by marriage the nationality of the spouse, they may represent the spouse's country.
- 8.3.4 An Athlete who possesses dual nationality (i.e. one by virtue of the law of one country, the other by virtue of the law of another country) may only represent one or another country as the Athlete in question selects. Once having represented both countries, WKF EC approval will be necessary for a further change, following a reasoned written demand by the relevant NF to the WKF President.

- 8.3.5 An Athlete may represent the country of **their** birth and of which the Athlete is a National unless they opt to take the nationality of their father or mother.
- 8.3.6 A naturalized Athlete (or one who has changed their nationality by naturalization) may not participate in the World Championships representing their new country until three years after their naturalization. The period following naturalization may be reduced or even cancelled with the agreement of the two NFs concerned and the final approval of the WKF EC.
- 8.3.7 If an associated State, Province or Overseas Department, a Country or former Colony acquires independence, or a country incorporated within another country by reason of a change of border, or if a new NF is recognized by WKF, an Athlete may continue to represent the country to which they belong or belonged. However, they may choose to represent their new country or their new NF in the World Championships.
- 8.3.8 In instances where the WKF has recognized more than 1 (one) NF for which members hold the same national passport (i.e., for a country and its protectorates with separate governing national sporting bodies), the Athlete may only compete for the NF of residence, provided that has not yet competed for the other (s) NF(s) in WKF official events.
- 8.3.9 In order to get the transfer to another NF of which the nationals hold the same passport, it will be enough with the agreement between the 2 (two) NFs involved to confirm any change to the WKF concerning the status of an Athlete. In case of disagreement between the NFs, any change will have to be approved by the WKF EC. In this case, the Athlete, through the NF concerned, will have to prove to the WKF's satisfaction the residency in the territory governed by the other NF, or failing this, the relationship with the other NF that makes the change justifiable.
- 8.3.10 Once the Athlete has represented all the NFs involved, the WKF EC approval will be necessary for any further change.

ARTICLE 9: ADOPTION OF THESE RULES TOO EVENTS OUTSIDE THE WKF OFFICIAL EVENT PROGRAMME

9.1 National Federations may modify these rules for the purpose of national competitions or other competitions not on the official WKF programme, as long as these adaptations do not provide an advantage or disadvantage for particular styles of karate.

9.2 National Federations are encouraged to consult their national sports authorities for guidance on national law and/or guidelines for competitive sports for children under 12 years of age.

9.3 Any deviation from the Competition Rules applied to a competition must be announced in the official bulletin or invitation to the event.

ARTICLE 10: ISSUES NOT SPECIFICALLY COVERED BY THE RULES

From time to time, situations may occur where the rules fall short of giving specific instructions to resolve an issue. In such instances, the Chief Referee for the competition has the authority to resolve the issue by applying analogous resolutions to similar cases found in the rules or their best judgment. Before making a decision, the Chief Referee may consult the assigned WKF Representative for the tournament or escalate the issue to the Sports Commissioner for consultation before taking a decision.
